Article:	Annex:	Clause:
Key words: Footwear slip resistance		
Question: Should footwear meet the requirement concerning slip resistance?		
Solution: If the manufacturer of such footwear declares its slip resistance as PPE has to be tested and then certified according to the Regulation using all relevant BHSR including ergonomics and innocuousness.  If the manufacturer declares meeting the requirements of EN ISO 20347: 2012, the footwear has to be tested and certified according to this standard.
